NEW BUSINESS

Stevens brought up a possible change in 2007 Conference

Tradewinds (which we have a contract with) asked us if we can change the Conference dates from June 11-15 to June 4-8. In return, they will reduce our room block which will ultimately save us money. The block will go from 250 to 100-120.

Motion from Sapp to change

Stripling 2nd motion.

After a brief discussion, the motion was unanimously approved

Sapp talked about making a registration of \$70.00 to cover mixer on Monday night of the Conference which includes FDOA dues for the following year. The mixer will be a Tex-Mex style dinner with unlimited beverages(except alcoholic beverages).

Stripling advised that the Holiday Inn Express in Juno Beach will give us a room for \$99.00 a night if we can get 10 rooms. The cost will be \$110.00 (regularly 229.00) a night if you mention you are with FDOA.

Sapp advised that the vouchers for the DARE Night Baseball Game will be sent out Monday. There will be a Conference on April 29th. Meeting location and time will be decided later.
